# Qualified Charitable Distribution

**NEWSFLASH - The IRS gives you two tax benefits for the price of one**

## HERE'S HOW:

If you are over age 70 1/2 and have an Individual Retirement Account (IRA), you may be able to designate a Qualified Charitable Distribution to Riverside (of up to \$100,000 annually) from your IRA and:

- Receive a Charitable Gift Deduction
- Reduce your taxable income

Riverside is a 501(c)(3) charitable organization. Consult your tax adviser for how a Qualified Charitable Distribution might impact you.
