

# WORKSHOP #1

SATURDAY 9:20-10:30 AM

## OPTION 1: INVASIVE SPECIES & NATIVE ECOLOGY

Come learn about plants you shouldn't tolerate in your lawn, woods, or gardens and what to do about it. You'll also learn even more about the native ecosystem around you and how to care for it!

## OPTION 2: MAKING GLUTEN-FREE SOURDOUGH

In this workshop you will learn about the whole process of making your very own Gluten Free Sourdough! You'll learn about all the tools you will need, how to feed and care for your starter, how to make a loaf from start to finish, and the different flavors you can add to your bread.

## OPTION 3: COLOR THEORY - MIXING PAINT FOR BEGINNERS

In this workshop we'll go over the basics of mixing colors to make the perfect shade for your art project. We will practice with acrylic paint, but these principles can be applied to many mediums. You will leave with a practical knowledge of how colors interact, which colors can produce the perfect skin tone, match your dogs fur, or compliment each other. This workshop would pair well with "Acrylic painting for beginners" but it is not necessary to take both.

# WORKSHOP #2

SATURDAY 10:40-11:50 AM

## OPTION 1: ESSENTIAL OILS

In this workshop, you will learn how essential oils are used in the home for cleaning and personal healthcare. Some questions you will learn the answers to: What are essential oils? How are they harvested? What are they used for? Are they really therapeutic?

## OPTION 2: ACRYLIC PAINTING FOR BEGINNERS

In this workshop you will learn the basics of acrylic painting! From start to finish- supplies and reliable brands to use, setting up a canvas and palette, and the fun part - painting! I'll guide you through the steps and send you home with the knowledge to keep painting! If you are new to painting, or a seasoned pro who just wants to paint with a friend, I'd love for you to attend. This workshop pairs well with "Color Theory- mixing paint for beginners" but it is not required to attend both.

## OPTION 3: PISANKI EGG DECORATING

Come learn the folk art of Pisanki Egg Etching! This is a hands-on workshop where you will learn to create intricate designs on eggs using an acid etching method. After a short tutorial, you will get to try your hand at making your very own acid-etched eggs.

## OPTION 4: WOODWORKING

In this workshop you will work with your hands to create a wooden project that you can take home with you! All materials and tools are provided.
